HSA Maui will be offering an ISA judging course on the island of Maui this year in the month of July. This is an 8-hour judge's certification taught by an ISA head judge and if you pass you will receive a category 1 ISA judge certification. Course registration fee includes a judging manual, course workbook and an ISA Category 1 Surfing judge identification ID card. This course is a refresher course for our Maui judges and highly recommended for the young surfer's parents to better understand the always changing judging criteria and highly technical level your keiki are being judged on.

My wife and I took the same course in 2010 and again my son and I took it in 2016 and it was a huge help as a parent in understanding the intricacies of modern surfing judging as well as qualifying me to work any HSA, NSSA, ISA or WSL event. (Category 1 being the first step and Category 3 the first requirement to judge a major professional event).

This course is necessary to judge a HSAM contest and highly recommended for parents, athletes, and coaches.

Class will be 8am-5pm with an hour break for lunch 12n-1pm on Saturday, July 21st or 28th. (Basically, the weekend that Hurley at the Harbor is not.) Eight hours' max, possibly ending earlier based on participation and interaction. Registration will close on July 14, 2018. We need to print materials, so this date will be final. This certification course is $99 and must be paid in advance on Surf Sign up or from the link on our website. Please sign up as soon as possible as it will affect the venue we are reserving for the event. Location to be announced.
